Ambalika Institute Cafeteria

The AIMT cafeteria is a favorite haunt for our students and faculty members. This is the place where teachers and students can interact with each other in an informal environment.

Sports Facilities

The exposure to co-curricular activities in the form of games, both indoor and outdoor & cultural activities helps to develop individual initiative, group leadership and cooperation in students. The institute has facilities for Table Tennis, Billiards, Badminton, Volley Ball, Air Hockey, Air Foot Ball and Cricket.

Accommodation

Pursuing higher education is a tough task for young boys & girls. In most cases, it requires relocation to an entirely new setting away from home, and usually for the first time. We are, therefore, sensitive to the sentiments of our students and strive to provide a home away from home. This is also especially meaningful because only when students are living comfortably they will be able to learn effectively. We have

separate hostels for girls and boys at AIMT. Resident students have comfortable rooms, electricity, water facilities and nutritious food – all in clean, peaceful and hygienic surroundings. In addition, we have taken special measures to ensure privacy and security for the girls residing in our premises.

Hostel Blocks

The Blocks have been aesthetically designed and are located in serene surroundings so as to give a feeling of being at home. We provide students with facilities for some interesting leisure-time activities. The Boys' Hostel is named as Brij Narayan Misra Hostel and has a capacity of 300 Students. The Girls' Hostel is named as Subhadra Devi Hostel and has a capacity of 100 students.

THE KEY COMPONENTS OF OUR HOSTEL FACILITIES ARE THE FOLLOWING:-

Mess

Each hostel block at AIMT has a dining facility. The mess is the place where maximum students' interaction takes place and many exemplary friendships are made. That is why; each mess is spacious and- has very comfortable dining furniture. At AIMT, it is the students who decide the menu according to which meals are prepared and served. Our mess staff ensures complete cleanliness, thereby ensuring that the food is prepared and served in a hygienic manner.

Ambulance & Medical facilities

Medical Facility –The Academy has physicians on its rolls to visit the AIMT campus regularly. They can be consulted at the Campus Dispensary. The institute is located close to major hospitals in Lucknow, for accessing emergency services if immediate medical attention is required. The College also has 24 hours Ambulance service to cater to the emergency medical needs of students.

Telephone Facility

We know how important it is for the students living away from home to be in touch with their parents, friends and family members. We also know how important it is for families and friends whose loved ones are with us. Therefore, we have provided multiple telephone lines to enable communication between families and their children. A separate mobile tower and mobile connection is also available for the parents for inter-group communication on which only local charges of telephone will be levied.

Railway Concession

The Railway Ministry has extended the facility of railway concession to the institute on the condition that the administrative office issuing the concession

vouchers are abiding by the rules and regulations of the Indian Railways.

Banking Services

We provide on-campus banking facilities to the students and faculty members of AIMT. This will help students organize their finances.

Internet and Wi-Fi facility

Our hostel has a 10 Mbps internet connection, locally networked and connected through WI-FI via the central server available to the students for their project work and seminar presentations. This WI-FI is free for all the staff members and students of the college.
